Ayu · why sit outside · no electricity.
Ayears · rent · more airy.

her neighbour explained.

1. electricity is not consistant.
   save money on electricity by sitting outside
2. more airy.
3. can chat with neighbours.
4. can watch children play. (safety).

Within the slum/village, the locals told me that she would clean their area up to these streets. Their children move more freely, but mostly only within the vicinity of their vision.
They do not have a good sense of hygiene. Things were thrown → activities follows the shaded areas.
Rule 2: Run away from the Sun! Stay.
